

JEDITH ALMANDO ISTIAN

C O M P U T E R S C I E N C E

PROFILE

Computer Science student at Bina Nusantara University. Actively participating in training and certification. Have a passion and desire to work in the IT field, especially in the fields of Data Analyst and Data Engineer. Have a high curiosity, and like to learn something new. I've always been passionate about data because there's so much knowledge that I can drive from it.
