Jedith Almando Istian

Computer Science
Data Engineer || Data Analyst

M JedithIstian@gmail.com   ☎ 08814985909   in Jedith Almando Istian   ⊙ jevsuniverse

Computer Science student at Bina Nusantara University. Actively participating in training and certification. Have a passion and desire to work in the IT field, especially in the fields of Data Analyst and Data Engineer. Have a high curiosity, and like to learn something new. I've always been passionate about data because there's so much knowledge that I can drive from it.
